Specifications

SKU	EPD50-RESTO
Weight	6.1 kg
Dimensions	32.8 x 19.7 x 20.7 cm
Technology	Desiccant
Max Extract	@ 35°C / 90% RH, 13 litres/day
Typical Extract	@ 27°C / 60% RH, 11 litres/day
Power	230V/50hz, 2.4 A - 0.55 kW
Colour / Material	Dark Grey / Stainless
Duct Sizes	40mm Exhaust, optional 125 & 90mm
Sound	52dB
Fan Capacity	One speed/180m ³ /h
Operating Temperature	-20°C to 40°C
Power Out Restart	Yes
Process Air in	210 m ³ /hr
Exhaust Air out	35 m ³ /hr
Fresh Dry Air out	180 m ³ /hr
Material	Stainless

Commercial Applications

- Flood & Restoration
- Carpet Cleaning
- Basements / Cellars
- Laundries
- Commercial Buildings
- Drying Furnishing
- Offices
- Laboratories
- Hotels & Lodging Facilities
- Built in Pump Garages
- Storage Areas
- Restaurants
